

WOLF RIDGE HILLCLIMB - 2 Minute Club

2 minutes (or 120 seconds) is the elusive goal at this event! This puts the average speed over the 1.7 mile course at over 60 miles per hour on a road designed for speed limits of 15 MPH!!! To be inducted into this club a driver's time must be 120 seconds or less. During the inaugural event only 1 driver was able to break the 2 minute barrier.

The following drivers have amazing skills and the machines to help them become members of this exclusive club:
